I will provide project details - Image & Brochure

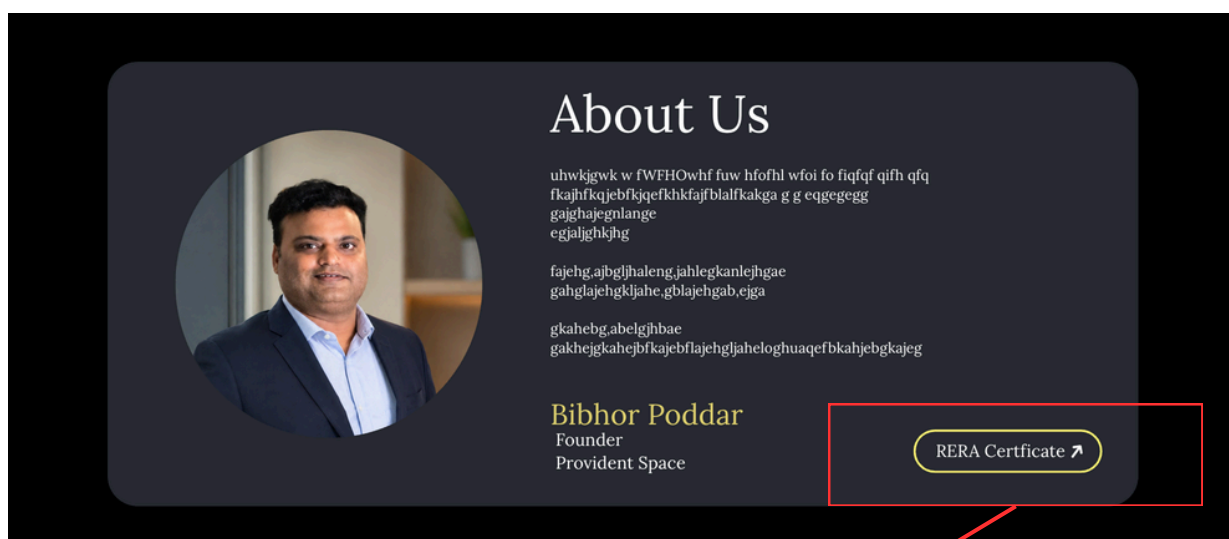

Put the partner's carousel here - DLF, M3M, Godhrej etc etc

Change to this:

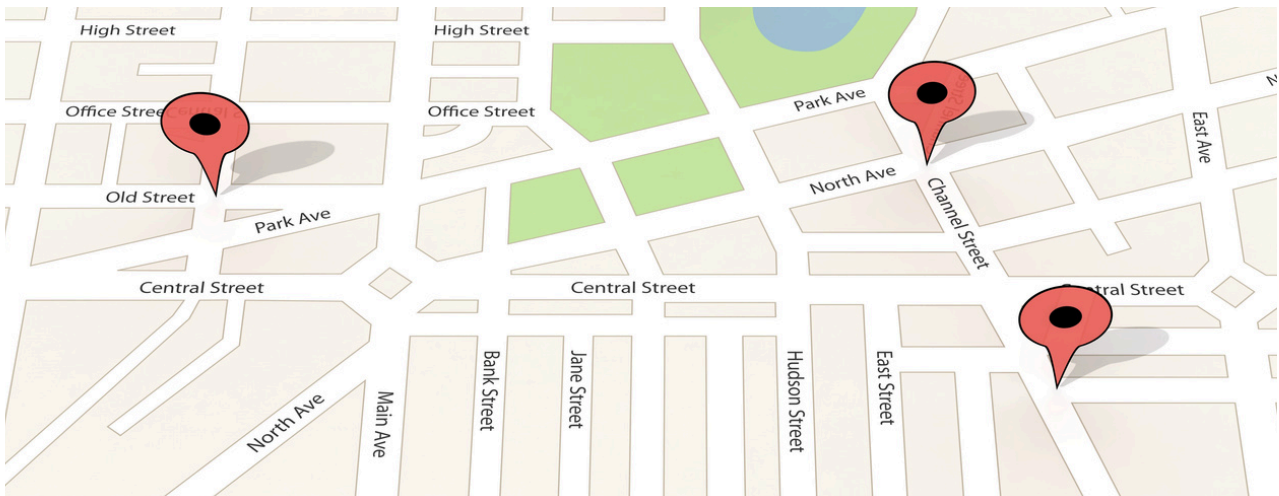

From finding the right property to navigating the finer details of the transaction, our clients value the transparency, responsiveness and personal attention we bring to every engagement. Here's what they have to say about working with Provident Space.

Add the all now “About Us” section which was not here before. Show your creativity. Below is a basic idea:

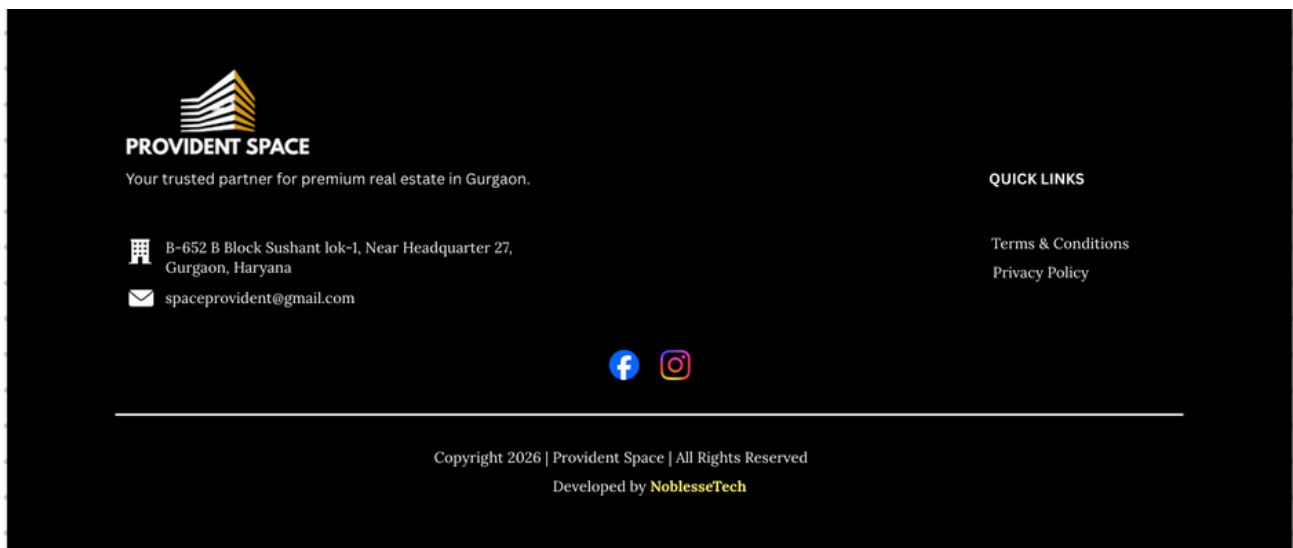

This button here will take the visitor to a pdf hosted in the google drive.

Add a map if you think it would look good. Just to indicate the location of business that is Gurugram.

Then comes the footer:

These are all the mandatory information/links/buttons that I need in the footer. You can arrange it as you like. Show your creativity.
